In Tone and Power it far surpasses any instrument heretofore made on this principle. The tone is full, round and sonorous, with no breaks or wheezing. A person hearing it would suppose an organ was being played, so powerful is it. Each instrument is furnished with a roll of music. An immense catalogue is already published and more is continually being added.

THE PRICE OF THE TOURNAPHONE IS \$30. Including one roll of music. Extra music six cents per
